Period: 09/09/2013-09/08/2018

8(a) Contract#: HSHQDC-13-D-E2076

Period: 09/27/2013-09/26/2018

New Vehicle. Unlimited Innovation.

Small businesses deliver big results.

Through the Enterprise Acquisition Gateway for Leading Edge Solutions (EAGLE II) - a Department of Homeland Security (DHS) contract vehicle - DHS and its components can easily procure unmatched IT services and solutions from Acuity. Acuity was awarded Functional Category 1 – IT Service Delivery as a Prime Contractor on both the Other Small Business and 8(a) tracks.

Our team of small businesses is committed to quality and our work is grounded in the PMI, ISO, CMMI, and EVMS certifications we hold. This means that we perform to the highest industry standards with discipline and rigor to achieve transformative, long-term results.
